

First choice for your First Aid Training

Workplace | Individuals | Saving Lives

How compliant is your business?

Book a FREE, no obligation consultation with Heart Medical to find out...

Benefits of using Heart Medical:

- ♥ Come to our bespoke training centre which is ideally located just off junction 40 of the M1 Motorway or train your staff in your own premises with our “mobile classroom” service
- ♥ Cost effective – we guarantee to beat any leading national provider by 5%
- ♥ Spread your training to limit impact on your organisation, we can run training courses over consecutive weeks
- ♥ Dedicated and local customer service team
- ♥ Our centre is approved by Quasafe Awards, an Awarding Organisation recognised by Ofqual to offer regulated qualifications
- ♥ All our First Aid courses now include Automated External Defibrillator and new protocols on catastrophic bleeding
- ♥ Lunch and refreshments provided for students on every course
- ♥ Free consultancy service for your workplace
